

Ability to Create Roadmaps

As a self-taught learner, I want to be able to generate a roadmap to any subject or topic I would like so I know where to start learning.

Priority Level: High

Cost: 9 days

View Account & History

As a student, I would like to create an account so I could be able to see topics I have learned previously.

Priority Level: High

Cost: 5 days

Review Materials

As a student, I want to be able to review and test myself on topics to help prepare me for my exams. I would also want to see my mistakes and revisit topics.

Priority Level: High

Cost: 7 days

Sources and Validity

As an educator, I want to make sure my students are learning correct material related to the course I am teaching.
